

IMPORTANT ANNOUNCEMENT

The 7th Annual National Conference on Allied Health Education being held February 9-12, 2010, will be moving to the brand new ARIA Resort & Casino located in the long anticipated CityCenter complex on the Las Vegas Strip!

Unlike all other properties in Las Vegas, the ARIA Resort & Casino does not have a theme other than its extremely unique and beautiful architecture. ARIA is a dramatic 61-story resort and casino in the heart of new CityCenter. ARIA has received Gold Certification, the U.S. Green Building Council's Leadership in Energy and Environmental Design certification and plays a major part in CityCenter's \$40 million public Fine Art Program with artwork such as Maya Lin's silver sculpture of the Colorado River suspended high above the reception area. From dining to entertainment, shopping to spa services, ARIA will deliver unlike any other.

ABHES cannot be more excited about this change in venue and what makes it even better is that this brand new, ultra-sleek, ultra-luxurious resort will honor the contracted \$139 sleeping room rate!
