SUMMARY OF RICHARD LUEBKE MEMORIAL SCHOLARSHIP PROGRAM

Richard (Dick) Luebke, Sr. passed away on Saturday, December 13, 2008. Former president and founder of Pima Medical Institute, a long-time accredited ABHES institution with over a dozen campuses, Dick served the ABHES Commission diligently for many years and was a true supporter and friend of education and accreditation. This deep dedication was evidenced most recently by his being awarded the Recognition of Excellence Award at ABHES' 2005 National Conference on Allied Health Education.

A Memorial Scholarship has been developed by ABHES in Dick's memory. The Memorial Scholarship plaque will be presented to Dick's family at the 2010 National Conference on Allied Health Education.
