The Commissioner Nominating Committee met and developed the following slate of candidates:

ADMINISTRATOR IN A HEALTHCARE RELATED AREA (2 OPEN SEATS)

Matt Calhoun

**Arizona College – Glendale, AZ
Director of Regulatory Affairs**

As the Director of Regulatory Affairs at Arizona College and a currently sitting Commissioner, my experience has prepared me to continue serving ABHES Schools. I have served as an ABHES Team Leader on many accreditation visits and in 2016 received the Distinguished Evaluator Award. In addition, I have sat on the Preliminary Review Committee, Financial Review Committee, Conference Planning Task Force, and Finance Committee experiencing first-hand the commitment ABHES has to assuring quality educational experiences for the students attending our institutions. I share that commitment and hope I have the opportunity to continue serving as a Commissioner.

Effie Dubis

**St. Louis College of Health Careers – St. Louis, MO
Director of Operations**

I believe I am qualified to serve and perform well as a commissioner because I have 28 years of administrative experience at a member institution - St. Louis College of Health Careers (SLCHC). I hold a Bachelor's Degree in Nursing as well as a Master's Degree in Health Care Administration. I have been instrumental in developing policies and procedures during the College's history and growth. I have worked in an administrative capacity in the day-to-day operations overseeing the Financial Aid and Business Office departments at SLCHC. I have been serving as a Team Leader and Program Specialist with the Accrediting Bureau of Health Education Schools (ABHES) since 1990 and served as an external consultant for the Ohio Board of Regents since April 2008. I have served on the Preliminary Review, Appeal Panel, Commissioner Nominating and Executive Committees for ABHES. Currently, I am already a sitting Commissioner since 2012, and I serve on the Financial Review, Finance and Annual Report Committees.

Cindy Landry
ATA College and Career Education – Louisville, KY
Director of Compliance/Accreditation

I have worked in higher education for over 30 years and have served as team leader on over 40 site evaluation teams with ABHES. I have previously served on the ABHES Conference Planning Committee and currently serve on the Governance Committee. I was elected to a seat on the Commissioner Nominating Committee, this service will begin in July 2018. I have been selected as a presenter at the ABHES Annual Conference 3 times and provided informative sessions on student services and retention.

I joined ATA College in 2004 and serve as the Director of Compliance and Accreditation for ATA's campus in Louisville KY and Spring Hill Florida. Prior to employment with ATA I worked for 17 years in post-secondary proprietary education with another Kentucky based school. During my tenure with ATA I spearheaded the drive to accreditation and have initiated and managed the school's development and the addition of new programs. I annually compile and complete reports required by ABHES, IPEDS and other agencies.

I am serving my second term on the Kentucky Commission for Proprietary Education, the licensing body for proprietary schools in KY. I serve as the President of the Kentucky Association of Career Colleges and Schools and have served in this capacity for 2 years.
