I am pleased to announce **Julie Orloff** has been appointed by the ABHES Commission to fill the vacant position, Appointed Seat 1 – Practitioner in a Specialty Area. Ms. Orloff's appointment is effective immediately and runs through June 30, 2014.

With many years in both higher education and in the healthcare industry, predominantly focused in the area of medical assisting, ABHES is pleased to have procured such a diverse talent to serve in this important position.

Ms. Orloff is employed by Bay Harbor Pediatrics, Bay Harbor, Florida, where she had worked part-time over the years while also employed by Career Education Corporation, serving in the regulatory area. Her daily responsibilities now include assisting physicians in well-baby examinations, administering immunizations, billing, and conversion of electronic records.
