Dear Ms. Solomon:

The Commission of the Accrediting Bureau of Health Education Schools (ABHES) has received the report of the Appeal Panel following the institution's May 18, 2012, appeal of the Commission's December 19, 2011, action denying the institution's application for a renewed grant of accreditation. A copy of this report is attached.

The Appeal Panel voted unanimously to **affirm the decision of the Commission denying the institution's application**. The Appeal Panel found that the record before the Commission at the time of its decision supported the Commission's conclusion that the institution had failed to demonstrate compliance with the requirements for accreditation. The Appeal Panel Report also noted that the Panel considered and rejected the institution's argument that it had not had adequate notice of the findings of deficiency, concluding that the record demonstrated the contrary.

Accordingly, at its June 11, 2012, meeting, the Commission acted pursuant to Chapter III.E.2.i of the *Accreditation Manual* to implement the decision of the Appeal Panel. The decision to deny the application for accreditation is affirmed and is effective 10 calendar days from the date of this letter, or **June 22, 2012**. There is no additional appeal available.

As is set forth in Chapter I.B.1 of the *Accreditation Manual*, federal and state regulators are copied on and provided this correspondence simultaneously to you. Chapter I.B.1 of the *Accreditation Manual* also provides that within 60 days of this final negative action, the Commission makes available upon request to the Secretary of the U.S. Department of Education, appropriate state agencies, recognized accrediting agencies, and the public a brief statement summarizing the reasons for this negative action and the official comments, if any, that your institution wishes to make with regard to this decision, or in the absence of official comment from your institution evidence that the institution or program was offered the opportunity to provide official comment. Consequently, if you wish to make a brief official written comment on this negative action you must do so within 10 calendar days of the date of this letter. You are not required to make such statement, and failure to do so within the time allotted will be understood as a decision not to comment.

*Carol A. Moneymaker*
