## **Call for Speakers**

ABHES is now accepting speaker proposals to lead a breakout session at our upcoming conference. In an ongoing effort to provide various educational and innovative sessions to our attendees, we invite industry leaders and members with speaking experience who want to share their expertise with peers and colleagues from across the industry to submit a proposal today.

Submission deadline: **Friday, September 2, 2022.**

**Topics:**

Distance Education  
Diversity, Equity & Inclusion  
Operations  
Outcomes  
Regulatory/Compliance  
Teaching/Training

Preference will be given to submissions that focus on Workforce and Industry Trends, including healthcare, mental health, marketing, etc.
