Dear [REDACTED]

Pursuant to Chapter III of the ABHES *Accreditation Manual*, Med-Life Institute did not appeal the Commission's action to withdraw the current grant of accreditation; therefore, this letter affirms the withdrawal of Med-Life Institute's institutional accreditation, **effective April 10, 2023**, based on the items identified in the attached letter.

I.B.1.c. of the *Accreditation Manual* states that, within 60 days of the date of this letter, the Commission provides to the Secretary of the U.S. Department of Education, appropriate state agencies, recognized accrediting agencies, and the public a brief statement summarizing the reasons for this negative action and the official comments, if any, that your institution wishes to make with regard to this decision, or in the absence of official comment from your institution, evidence that the institution or program was offered the opportunity to provide official comment. **Consequently, if you wish to make a brief official written comment on this negative action, you must do so within 10 calendar days of the date of this letter.** You are not required to make such a statement, and failure to do so within the time allotted will be understood as a decision not to comment.

The U.S. Department of Education, the appropriate State licensing or authorizing agency, the appropriate accrediting agency, and the public have been notified of this action in compliance with 34 Code of Federal Regulations § 602.26 *et seq* and Chapter III of the *Accreditation Manual*.

The institution is reminded that it must, at this time, discontinue use of the ABHES logo, or any reference to ABHES accreditation in its publications, including the institutional website, catalog, and other print materials.
