Dear Mr. [REDACTED]:

This is to confirm receipt of the letter dated July 13, 2023, notifying the Accrediting Bureau of Health Education Schools (ABHES) that the institution has ceased operation. As such, and in accordance with III.C.10., of the *Accreditation Manual*, the institution automatically relinquishes its accreditation, without a right of appeal.

As you are aware, ABHES previously stayed the withdrawal of the institution's accreditation pending the final resolution of the arbitration. Therefore, we understand your decision to close the school and the terms of your letter expressing your desire that the stay will not continue. Accordingly, the institution's file will reflect relinquishment of institutional accreditation, effective July 13, 2023 and that the relinquishment occurred while the institution was under a pending withdrawal of accreditation action.

The institution is reminded that it must at this time discontinue use of the ABHES logo, or any reference to ABHES accreditation in its publications, including the institutional website, catalog, and other print materials.

If ABHES may be of assistance in the future, please contact us at (301) 291-7550.

Sincerely,

India Y. Tips  
Executive Director
